Sponsored by

Dear Conference Participants:
 The Center for Safe Schools and Communities is sponsoring an International Conference Featuring—Evidenced based Social Emotional Learning, and specifically .A.R.T (Aggression Replacement Training), Peace Curriculum, Parent Empowerment, Character Education, Emotional Intelligence, Social Skills and Classroom Discipline.

A Pre-Conference De-Escalation Strategies seminar will be conducted on June 9-10, 2009. A special feature for parents will take place during both days of the conference for a nominal fee.

Peace4Kids is a specific social emotional learning program that helps socialize aggressive students so they are academically and socially successful. Parts of the program are now being used for all students. It has been shown to reduce violence in schools and increase academic success and transform the school culture.

The program is well researched and includes a curriculum comprised of lessons in empathy, anger control, social skills and character education. Peace4Kids includes a parent/family component, discipline system, student activities, and Restorative Justice.

Peace4Kids is being used in many states in this country as well as in European and Scandinavian countries.

The purpose of the conference is to bring program specialists from model programs here in the US and other nations to learn from each other about ways to utilize successful Social Emotional Learning strategies to both prevent violence and rehabilitate students who are already exhibiting aggression. Current studies show that SEL programs are necessary for academic success. The conference will feature key note addresses from experts in the field of Social Emotional Learning. Also, presenters from several states and countries will present a variety of successful programs.

We will be learning about how to help kids and parents as well as enjoying various excursions to the beautiful “Mile-High” City of Denver and the wonderful mountains. An activity will be planned on each night of the conference as well as Saturday and Sunday.

College Credit is available for all sessions from Adams State College; CO. Some school districts offer re-certification credit.

Looking forward to meeting you there!

Sara J. Salmon, Ph.D.

ABOUT THE RAMADA PLAZA

Escape the ordinary at the Ramada Plaza Denver Northglenn. A stroll through the lush atrium with its sparkling waterfall sets the tone for an elegant, comfortable experience. Surrounded by expansive meeting space, two restaurants with a clubhouse for sporting events and recreational facilities, the atrium is a virtual oasis of activity.

The Ramada Inn Denver Northglenn is conveniently located at Interstate 25 and 120th .

ABOUT DENVER

Denver is a clean, young and green city with over 200 parks and dozens of tree-lined boulevards. The architecture reflects the city's three boom periods: Victorian, when silver was discovered in Leadville; turn-of-the-century, when gold was discovered in Cripple Creek; and contemporary, when the energy boom added 16 skyscrapers to the downtown skyline in a three year period, 1980-1983.

Unlike some Western cities, Denver has a central downtown area. Here, within easy walking distance, are 5,200 hotel rooms, the city's convention complex, performing arts complex, and a wide variety of shops, department stores, restaurants, and nightspots. Also within easy walking distance are some of the city's top attractions including the U.S. Mint, Denver Art Museum and Colorado History Museum. A mile-long pedestrian mall cuts through the heart of downtown Denver and is surrounded by a series of parks and plazas that soften the towering skyscrapers and provide viewpoints from which to see and appreciate the modern architecture.

Lower Downtown (called "Lo Do" by locals) is on the northern edge of downtown Denver and offers one of the nation's greatest concentration of Victorian buildings and warehouses, many of which have been refurbished to house restaurants, art galleries, offices and shops. This is the center of the city's brew pubs, with six large brew pubs and micro breweries, each brewing six to eight exclusive beers, all within easy walking distance of each other.

REGISTERING FOR THE HOTEL

All participants are responsible for making their own reservations. They may do so by calling the Northglenn Ramada Plaza at (303) 452-4100. In order to receive the hotel rate you must mention that you are with the Peace4Kids Conference.

WEATHER AND DRESS

Weather in Denver is unpredictable, but June is generally sunny and warm. The average daytime temperature is 87 degrees. Be sure to carry a water bottle with you because dehydration is common. A light jacket is advisable for the mountains.

AIR TRANSPORTATION

Taxi service is readily available from Denver International Airport 24 hours a day. The fare is approximately \$60.00

Shuttle—Ground transportation from DIA to the Northglenn Ramada Plaza is available from Super Shuttle call 303.370.1700 for reservations. Rates are \$25.00 per person.
